ORDER

These appeals have been preferred by the 'Operational 20.08.2018 Creditors' with the grievance that the 'Resolution Plan' submitted by the

'resolution applicant' has not taken proper care of the 'Operational Creditors'.

Learned counsel for the appellants submitted that the minimum amount

prescribed under Section 30(2)(b) of the I&B Code does not mean that the

liquidation value is to be provided to the 'Operational Creditors'. It is also

submitted that the 'Operational Creditors' were not noticed nor heard by the

'Committee of Creditors'.

Mr. Arun Kathpalia, learned Senior Counsel appearing on behalf of the

respondent - successful 'Resolution Applicant' submits that the 'debt' of the

'Operational Creditors' were less than 10% of the total debt and, therefore, no

notice was required to be issued to them in terms of Section 24(3)(c) of the I&B

Code, otherwise, in other cases, where objections were raised by the 'Operational

6

Creditors' they were dealt with and considered by the 'Committee of Creditors'.

It is also stated that the 'Operational Creditors' have also not raised the aforesaid

grievance before the Adjudicating Authority after approval of plan by the

'Committee of Creditors'.

The claim of the 'creditors' have already been dealt with by this Appellate

Tribunal in its judgment dated 10th August, 2018 passed in "Company Appeal

(AT)(Insolvency) No. 175 of 2018 and connected appeals". The approval of

'Resolution Plan' submitted by 'Vedanta Ltd.', which was approved by the

'Committee of Creditors', followed by the Adjudicating Authority has been upheld

by this Appellate Tribunal. The 'Resolution Plan' having already been approved

at different levels and already acted upon, we are not inclined to decide individual

claim in these appeals. The appeals are accordingly dismissed. No cost.
